WHY RAW ?

Inspire and impress your guests or customers with something entirely fresh, and unique. Not to mention incredibly healthy and delicious!

We offer the freshest, healthiest food you could cater in for your event. We make everything in house and deliver it to you ready to serve.

We'd be happy to provide a brief presentation of what raw food is and why it's so good for you, to your guests as well!

To learn more about how we can help make your party, meeting or event a more delicious occasion, contact catering @rawlicious.ca.

CATERING

Rawlicious offers catering for a variety of occasions and special events. We prepare **raw, vegan & organic** food. Everything we serve is **gluten-free, dairy-free**, and refined **sugar-free**. We like to call it clear conscience eating!

Raw, organic & vegan restaurants
helping you feel good about what you eat.
